

DECLARATION OF COMPLIANCE

pursuant to § 161 of the German Stock Corporation Law [AktG]

H&R WASAG AG complies with the recommendations of the Government Commission on Corporate Governance embodied in the German Corporate Governance Code as amended on June 12, 2006, with the following exceptions:

- With regard to the existing D&O insurance contracts, no deductibles have been agreed.
- The system of Executive Board remuneration is explained in the company's reports and at the general meetings of shareholders. Presentation in this manner allows an assessment to be made of the reasonable nature of the emoluments and of the performance incentives created by way of remuneration. An individualized statement of remuneration has not been made in 2006. From 2007, individual board members' remuneration will be reported separately.
- There are no age limits on membership of the Executive Board or Supervisory Board. The choice of persons put forward for election to the Supervisory Board is made on the basis of the requisite knowledge, abilities and professional experience. Likewise the appointment of Executive Board members by the Supervisory Board is based on these same criteria. It is not intended to set an age limit as a criterion for exclusion.
- The Supervisory Board has not formed an audit committee. The areas of emphasis proposed for such a committee in the Corporate Governance Code put forward by the Government Commission are dealt with intensively at H&R WASAG AG by the Supervisory Board in its entirety.
- Executive and Supervisory board member shareholdings are reported in line with legal regulations. Further disclosure is not envisaged.
- As a result of the large number of subsidiary companies integrated into the annual financial statements, the consolidated statements for the financial year 2005 could not be published until beginning of May 2006.
